

Tiger August Newsletter

The Tiger room would like to say thank you to all the parents who have been signing up and bringing in items for all our fun parties we have been having. The kids really love a little change sometimes and something as fun as a new snack gets them so excited! We are wanting to start collecting any old items you have around your house that you just don't know what to do with the Tigers will gladly take them off your hands ☺ we are looking for McDonalds toys, items to use in our housekeeping, old toys your child doesn't play with pretty much anything! We will also be needing camping supplies to borrow for the weeks of August 9-20th we promise to take good care of them just please label them so we know who to return them too! Thanks again for all your help!

We are very sad to say goodbye to our friend Owen who will be turning 3 this month and heading off to the Turtles! Good luck Owen we will miss you! We are also very sad to say goodbye to Ms. Tara ☹ She will be leaving us August 6th to go away to college. We are very sad to see Ms. Tara go but we wish her the best on her new journey!

We are very excited for our August themes the first week we will be learning about Space and all the things you can find while on an adventure into outer space! We will be singing and reading all about Space. August 9-20 we will be learning all there is to know about Camping (We are especially looking for a tent if any parents have one we can borrow.) We will be learning campfire songs enjoying some yummy smores, pretending to go on a 2 week long camping adventure! Next on August 23-27th we will be Hollywood Bound we will be talking about all our favorite movies and characters. We will be having a PJ day on Friday the 27th if your child would like to bring in one of their favorite movies to share with the class (rated G please and label with your child's name) feel free. The last week in August will be a yummy week! We will be learning about All American Foods! We will be doing lots of tasting of some of Americas favorite foods!

As August ends so will our swim days unfortunately we have been rained out a few times this year so let's hope the rain stays away every Tuesday for the month of August! We will send home suits etc when we are finished. Have a great month Tiger families!

Tiger Teachers
